Red Oak wrestler Nicole Bond sealed her name in the Red Oak High School history books as the first girl state qualifier with her second place finish at the IGHSAU super regional tournament on Friday, Jan. 27, in Sioux City. The top four from each weight class and each of the two regions advanced to the state tournament.

The three Tiger girls finished in 18th place out of 23 teams.

"We didn't have our best tournament today as a team, and that is unfortunate as we've had a very successful season on the mats," Red Oak head wrestling coach Tiegen Podliska said. "We lost a couple positions that cost us. Collectively they are a little disappointed; it's important to let it burn a little bit, and get back to work."

Bond will compete at the first IGHSAU girls state wrestling tournament on Friday and Saturday, Feb. 3 and 4, in the Xstream Arena in Coralville. She will be joined by two Southwest Valley grapplers who qualified as part of the S.W.A.T. team, Adyson Lundquist and Evy Marlin.

Hawkeye 10 Conference Tournament

The Red Oak Tigers took on their conference rivals at the Hawkeye 10 Tournament hosted in Clarinda this year. Dawson Bond earned his third crown, winning the 160 division to lead the Tigers.

"It was a roller coaster at times with some highs and some lows," Podliska said. "Dawson scored 69 points in four matches allowing 12 escapes, all of which were letting his opponents up. Kyler lost one position and it cost us the match, though he did do some good things against a kid who beat him last week as well."

Red Oak freshman Andrew Johnson (black singlet) is back on the mat after an early season injury. Although Johnson did not place in the H-10 tournament on Saturday, he has not let the injury keep him from training and he expects to make a good showing at districts in a few weeks. (Charm Carpenter/The Red Oak Express)

"Joshua did a good job battling back on the backside; Baz and Nolan both did a good job getting a win on the backside to put themselves in a position to place. Adam had a big win in the quarters, and lost a controversial semi final."

Creston won the team title with 243 points.

Nick’s Picks VS. Charm’s Credence

Record: 907-708-7
Season: 160-121-2

Nick says:
So even though the Super Bowl isn’t this weekend, Charm still said I had to write something for the column. Caught me by surprise. Oh well, I’ll blather on about something for a column or two.
Charm threatened to write it herself, and the smile on her face indicated that it would be in my best interests to type up my own bit, even if it was reprinting numbers in a phone book.
So, my last two picks won. Changing to the Chiefs to avoid my mom’s ire paid off in spades, though it’s hard to say goodbye to the last remaining cat team in the field, the Bengals. Perhaps next year.
Still holding in third place. One more pick to go. How will it end? I guess we’ll have to see next week.
And I need to go out and get some more treats for the office cat.
Charm says:
I had to remind Nick to write something today, and after he quit whining, he started dancing (I think that’s what

Record: 997-618-7
Season: 159-122-2

he thought he was doing) in the hallway because of his great placement in the contest.
Hubs, middle son, and younger brother were upset with the outcome of the first game, while Glenly boy was thrilled.
My dad survived yet another “too close for comfort” KC win and for him, I am happy. For all the other Chiefs fans in the world, and especially the “I don’t even know what football is, but my son-in-law is a KC fan” people out there, all I can say is, “BLAH!”
The Kelcy brothers will be the first brothers in NFL history to compete against each other in a Super Bowl. That’s really cool.
Nick needs another week before he commits to picking his winner so until then, I have changed the way I’ve been thinking about his “luck” this year. It must be my great teaching abilities that have finally taught him how important football really is!
Horns up, Ramily!

Southwest Valley BB struggles on court

Charm Carpenter
The Red Oak Express

Southwest Valley girls fought hard and built a 15-point lead in the first half, but it wasn't enough as Lenox won a tight 54-50 Pride of Iowa Conference game in Corning on Tuesday, Jan. 24.

Three Timberwolves scored in double figures with Ada Lund leading the charge at 15 points.

"We haven't been in that position this year, where we have held a large double-digit lead on a really quality opponent," Southwest Valley head girls basketball coach Mike Cormack said. "We will learn from this. When we were aggressive in this game and attacked, good things happened. Many good things happened in this game, but it was a really tough loss because we had a team down and let them back into it. Our girls are improving and learning."

SWV: Maggie Haer 12 points, three

rebounds, two assists, seven steals; Lindsay Maurer two rebounds; Ryanne Mullen six points, four rebounds, one assist, two steals; Rebecca Wetzel one rebound; Mackenzie Fast 11 points, six rebounds; Lund five rebounds, two assists, two steals; Madeline Bevington six points, three rebounds, two assists.

In girls JV action, SWV won 22-10 in a half game.

SWV boys fell to Lenox 64-49.

Boys: Roman Keefe 14 points, three rebounds, two assists, two blocks; Cael Hogan three points, three rebounds, three assists, three steals; Miller Means 11 points, one rebound, one steal; Alex Morgan seven points, nine rebounds, one assist, two steals; Isaac Currin eight points, three rebounds, five assists, three steals; Marshall Knapp three points, seven rebounds, one assist, one steal, two blocks; Wyatt Mendenhall three points, two rebounds, one assist; Dustin Shuler one rebound, one block.

In Pride of Iowa Conference action, Central Decatur traveled to Corning and defeated the Timberwolf girls 59-46.

Maggie Hear and Mackenzie Fast each finished with a double-double for the Timberwolves with 13 points, 15 rebounds, and 13 points, 10 rebounds, respectively.

The Timberwolves fell behind by 15 points in the first half, but went on a good run to cut it to a three-point game, 30-27, at halftime. The third quarter was the difference maker as Central Decatur built up a 16-point lead before the Timberwolves cut it to a seven-point margin in the fourth before finally ending up with the final score.

"This was really an unusual game where we outscored Central Decatur 19-11 in the second and 15-12 in the fourth, but then were not competitive in the first and third quarter," Cormack said. "We had many unforced errors against their press in those two quarters where Central Decatur won the game. When we played the press well in the other two quarters and forced turnovers on them, we looked good. But in high

school basketball, poor passing and decision making will be punished and hopefully, our players grow from this game; learning both from what they did well and what they need to work on."

Girls: Haer 13 points, 15 rebounds, two assists, five steals; Lund 10 points, two rebounds, one assist, two steals; Mullen one point, two steals; Wetzel nine points, eight rebounds, two assists, one steal; Maurer one assist; Randall six rebounds, one assist; Fast 13 points, 11 rebounds, one assist, three steals, two blocks.

In JV action SWV came up just short against Central Decatur in a very competitive contest, 28-26. Randall led SWV with nine points.

Timberwolf boys fell 69-39.

Boys: Keefe four points, one assist, one steal; Hogan 12 points, two rebounds, two assists, two steals; Means four points, three rebounds, one block; Morgan six points, five rebounds, three steals, one block; Currin one rebound, three assists, one steal; Knapp four rebounds; Mendenhall 10 points, one assist; Shuler one rebound.

Baker, Kalkas selected to all-star squad

Special to The Express

Olivia Baker and Kirsten Kalkas, from Essex, have been named to the 2023 Iowa Shrine Bowl All-Star Cheerleading Team. They were selected after being nominated by their cheer coach Mary Ohnmacht.

The Iowa Shrine Bowl All-Star Cheer squad is made up of the best cheerleaders in the state of Iowa.

Baker, a senior, was chosen to be on the ICCA All Star Squad that will perform at the basketball all-star tournament in March. The all-star committee selected its team based off of tryout videos

and coach recommendations. Seniors with similar scores were chosen over younger cheerleaders. Kalkas, a sophomore, was chosen as an alternate.

"I am so incredibly proud of these two girls," Mary Ohnmacht, Essex cheerleading coach said. "This is my ninth year of coaching cheer. I was inspired by some other cheer coaches to push myself to have my girls get out of their comfort zones and to try these things. I am so glad they did. I hope that their experiences inspire more to want to try out."

Harlan

Red Oak competed in Harlan on Thursday, Jan. 26, and finished 0-3 against AHSTW, Kuemper, and Harlan. Bond highlighted the evening by earning his 150th win as a Tiger, the fourth in school history to accomplish that feat.

"First off, I would like to congratulate Dawson Bond on this terrific accomplishment," Podliksa said. "We went 9-11 in contested matches, but I saw some growth in a few of our younger guys. With the holes in our lineup currently, we have to wrestle nearly perfect to be competitive in duals with teams that have nearly a full lineup."

Baier, Bond, and Sandholm were all 3-0 on the night.

By a 3-2 vote, the Montgomery County Board of Supervisors approved a communications system agreement with Motorola communications to overhaul the county's emergency communications system. The multimillion dollar upgrade was largely supported by community members who attended a public supervisors meeting Jan. 23, 2017. Supervisors Steve Ratcliff and Mark Peterson ended up being the dissenting votes. Peterson voted no because he felt the county didn't have enough information to make a sound financial decision.

The Red Oak Middle School service learning class was pondering the question of how to build a park. The students began the endeavor as a first quarter project, but it has been extended. The idea came about when the kids brainstormed needs for the city of Red Oak, citing that there was nothing for kids to do. The class was seeking professional blueprints for the project, at a cost of \$2,500. The class had netted roughly \$600 of that goal through fundraisers.

Dance to the Beat fundraiser

In an effort to celebrate American Heart Month and raise funds for uninsured and underinsured cardiac patients at Methodist Jennie Edmundson Hospital, Jennie Edmundson Foundation is announcing the return of its Dance to the Beat fundraiser in person this year.

The event is set to kick off at the Mid-America Center in Council Bluffs on Friday, Feb. 17, at 7 p.m. Guests can expect live music from the popular local cover band, Taxi Driver, as well as raffles, prizes, a silent auction, light appetizers, drinks and more.

Proceeds from the event will continue providing support for cardiac patients in need of treatment, rehabilitation, medication, transportation and everyday living expenses.

"It's not surprising that more and more people are choosing Methodist Jennie Edmundson Hospital for their heart care needs," said Rachel Reis, director of Jennie Edmundson volunteer services and the Foundation. "We want to ensure that no patient is turned away from Jennie Edmundson's nationally accredited, lifesaving services and board-certified specialists who provide outreach to several western Iowa communities."

This year's event will be hosted by Methodist Physicians Clinic Cardiology in Council Bluffs with honorary co-chairs John and Barb Burns.

Purchase tickets by calling 712-396-6040 or by visiting jeh-foundation.org.

Treasurer Smith announces Montgomery County had \$98,300 reported to the Great Iowa Treasure Hunt in 2022

In celebration of National Unclaimed Property Day, held annually on Feb. 1, State Treasurer Roby Smith is sharing the newest report of unclaimed funds in the Great Iowa Treasure Hunt for Montgomery County.

"In 2022, more than \$98,300 was reported to the Great Iowa Treasure Hunt for Montgomery County residents, meaning you or someone you know could have money waiting to be claimed," stated Smith.

Additionally, Mills County had more than \$131,200 reported to the Great Iowa Treasure Hunt. In Page County, that total was \$278,900.

For the celebration, Smith's Office will be announcing names of individuals, businesses and non-profits from around the state who had unclaimed property reported to the Great Iowa Treasure Hunt in 2022.

"Follow Iowa Treasurer on Facebook, Twitter and Instagram and join us on Feb. 1 as we highlight names recently reported to the State," Smith commented. "Even if you've checked for your name in the past, I encourage you to check our website again. You never know what might be waiting for you or someone you know."

Past and present Iowans can search anytime for their unclaimed property by visiting GreatIowaTreasureHunt.gov.

Administered by the State Treasurer, the Great Iowa Treasure Hunt is the State's only legitimate unclaimed property source. Unclaimed property includes, but is not limited to, forgotten checking and savings accounts, uncashed checks, lost stocks, life insurance policies, utility security deposits and contents from abandoned safe deposit boxes.

When businesses and entities are unable to locate the rightful owner of a property, it is reported to the State as unclaimed. The Great Iowa Treasure Hunt then works to locate the owner or heir of the assets so individuals can collect what is rightfully theirs.

Celebrate National Unclaimed Property Day by sharing information about the Great Iowa Treasure Hunt to friends and family. Be sure to follow the Treasurer on Facebook, Twitter and Instagram for the Feb. 1 celebration.

Info sought in suspicious blaze

The Red Oak Fire Department is currently investigating a residential structure fire that occurred at 2439 Aspen Ave.

Fire department personnel received a call on Jan. 23 at approximately 7 p.m. from the property owner, Norman Hollesen, stating that he was contacted and advised that the house that was on his property had burned down.

Personnel from the Red Oak and Emerson Fire departments, as well as, Montgomery County Sheriff's office, responded to find the house completely burned down.

Information is limited at this time; however, the owner was able to advise that no one was living at the residence.

Anyone that may have information is encouraged to contact the Montgomery County Sheriff's Office at 623-5107 or the Red Oak Fire Department 623-6504.

ISU Extension and Outreach elects county extension officers

Four officers were elected during the Iowa State University Extension and Outreach Montgomery County extension council organizational meeting Jan. 26. The nine-member county extension council annually elects officers to comply with Iowa law.

Mike Thomas, Red Oak, is the re-elected chairperson. Thomas will preside at all meetings of the county extension council, have the authority to call special meetings, and perform duties as performed and exercised by a chairperson of a board of directors of a corporation. Chad Jacobs, Villisca, was elected vice chairperson.

Gayle Allensworth, Red Oak, was elected secretary and has the responsibility of keeping the minutes of all county extension council meetings and signing required papers for the council.

Kassandra Houdek, Red Oak, is the re-elected treasurer. The treasurer has charge of all of the funds of the county extension council; receives, deposits, pays, and disburses. The treasurer ensures an accurate record of receipts and disbursements and submits reports to the county extension council.

IOWA STATE UNIVERSITY Extension and Outreach

As elected officials, the county extension council is the governing body of ISU Extension and Outreach. The county extension council hires county staff, manages the county extension budget, and helps determine programming.

In partnership with ISU Extension and Outreach, the council provides educational opportunities that bring university resources to the needs of the county and region. Local county extension programs include the 4-H and Youth Development program, Iowa Master Gardeners, and Fresh Conversations.

Iowa mortgage rates are up Homeownership Assistance program can help

The Southwest Iowa Housing Trust Fund (SWIHTF) is seeking applicants for its Homeownership Assistance Program. The program is made possible by a \$100,000 grant from the Iowa Finance Authority to SWIHTF which is administered by Southwest Iowa Planning Council (SWIPCO).

Over the past 5 years, this program has assisted more than 100 homebuyers secure \$8 million in home mortgages that would have not been able to happen without this program. The program offers funding in the form of forgivable and low-interest loans available to low- and moderate-income individuals and families in Cass., Mills, Montgomery, and Page Counties.

The Iowa Finance Authority provides grants and low-interest loans through several programs, many of which are available to southwest Iowans who wish to purchase a home but may otherwise struggle to obtain resources.

SWIPCO Grant Specialist Ann Anstey says the Homeownership Assistance Program is a little-known but valuable option for homebuyers.

Anstey said the program is available to individuals and families who earn up to 80% of the area median income where they live. The area median income is calculated each year in each city or municipality. Applications are approved subject to income eligibility and on a first-come, first-served basis.

The program can assist potential homebuyers of new and existing housing with down payment assistance. The grant can fund up to 7% of the purchase price up to \$8,000. The first \$5,000 is a 5-year forgivable loan, forgiven at 20% per year. The remaining amount is a 1% loan for up to 5 years.

The Homeownership Assistance Program can help a home buyer cut down on monthly mortgage payments and also ensure that they

pay much less overall for the price of their home.

If a home buyer purchases a home for \$150,000 at a fixed rate of 7% over 30 years and pays a \$15,000 down payment, they will mortgage a total of \$135,000 for their home with a monthly payment of \$898 and will pay \$323,337 total for the 30 year loan. If a home buyer uses the Homeownership Assistance Program for that same home purchase, they will mortgage a total of \$127,000 for their home with a monthly payment of \$844 and will pay \$304,176 total for the 30 year loan. This means the home buyer will save \$19,161 total through the life of their loan.

To apply, homebuyers must have a signed purchase agreement in effect and have a mortgage application in process with a lender. Please allow a minimum of two weeks from application submittal for final approval prior to closing. Applicants can request an application from ann.anstey@swipco.org or call SWIPCO at 712-243-4196.

Card of Thanks

We truly cannot express our sincerest gratitude for the many outpourings of love and support we received after the passing of our beloved Heidi Michele Parson. Special thanks to Brian and Dawn and their staff at Nelson Boylan LeRette Funeral Home for their personal care and services. The number of visits, flowers, cards, food, and memorials we received gave us comfort and helped us reflect on how Heidi had touched so many. Her loss leaves us with such grief, but her life gave us such joy. The Family of Heidi Michele Parson.
