Charm Carpenter The Red Oak Express

The Red Oak boys basketball team is heading to the state basketball tournament for the first time in 29 years with a monumental 59-57 upset win over Van Meter (20-3) on Saturday, Feb. 26.

The Van Meter Bulldogs began the substate game on a 7-0 run and took a 16-10 lead after the first eight minutes of play. The Tigers knotted the score at 16 less than two minutes later, and continued to battle basket for basket, heading into the halftime down 25-24. Red Oak came out firing in the steal; Gilleland three rebounds, six assists, third quarter, beginning with a 13-2 run to take their first lead of the game, and held on to a 43-37 lead to end the third quarter. The Tigers led by as many as 10 points again in the final period, only to find the Bulldogs advance on a pair of treys and close the gap to four points. Red Oak seniors Kaden Johnson and Ryan Johnson

each fouled out in the final eight minutes, but the Tigers stayed calm and eked out the win, never giving up the lead.

R. Johnson and Hunter Gilleland finished with 17 points each to lead Red Oak scoring. Baylor Bergren finished with 11 points, Max DeVries 10 points, and Kaden Johnson and Braden Woods rounded out the scoring with two points each.

Red Oak: Bergren nine rebounds, one assist; R. Johnson five rebounds, two assists, one steal, one block; K. Johnson five rebounds, one assist, one steal; DeVries four rebounds, three assists, one two steals: Woods three rebounds, one assist, one steal, two blocks.

The number eight Tigers take on Central Lyon (22-2), the number one seed, on Monday, March 7, at 5:30 p.m., in a Class 2A quarterfinal at the state basketball tournament in Des Moines.

District final

Gilleland finished with three points for Red Oak in Tuesday's game in Council Bluffs, but it was arguably the most important trey of his prep career as it led the Class 2A district 16 final game against Treynor into overtime.

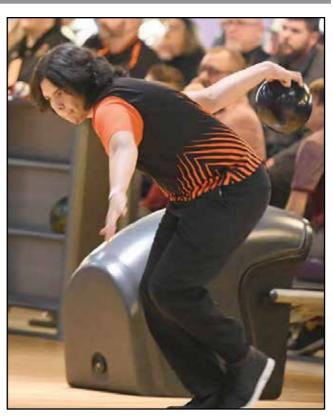

Red Oak (17-7) defeated Treynor (19-5) 65-63 in overtime to head to substate for the first time in nine years.

Treynor took an early 11-2 lead in the first quarter before the Tigers put on a run of their own to cut it to 24-23 going into halftime. The game remained close going into the fourth quarter with the score 34-33 in favor of Treynor. Red Oak trailed by eight points in the fourth quarter with a minute and a half left to play before a three by R.

Johnson cut it to five. The Tigers then cut the lead to two with five seconds left on a Bergren layup. Treynor made one of two free throws, extending the lead to three, but Gilleland drilled a three-pointer as time expired to send the game into overtime. In overtime, both teams took turns hitting big shots, with the Tigers taking an early five-point lead, only to then see the game tied again after a Cardinal trey with 11 seconds left. Bergren took the ball to the lane and hit a contested runner as time expired to give the Tigers the district championship.

DeVries led four Tigers into double figure scoring, finishing with 21 points on five treys. Bergren finished with 16 points, R. Johnson 13 points, and K. Johnson 12 points.

Fun By The Numbers Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

SUDOKU

8 9 3 5 4 9 2 4 8 9 6 4 8 5 6 4 8 9 6

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
