March Mayhem

The Red Oak Express

The Stanton High School hosted its 19th annual March Mayhem on Friday and Saturday, March 25-26. The fundraiser is touted as the largest dodgeball tournament in Iowa, and organizer Jeff Grebin hopes next year's 20th anniversary is a record breaker.

"We need to have 34 teams to outdo our biggest year," Grebin announced at the tournament on Saturday. "With it being our 20th year, we want this to be huge. Sign up early."

The tournament draws people from all over the state, including a competitive eater from Marshalltown, Mike Williams, who came for the hot dog eating contest.

Activities included a volleyball tournament, 5K walk/run, 3-on-3 basketball tournament, three-point contest, dunk contest, hot dog eating contest, and dodgeball tournament.

Pictured above is the Run It Back ... 2 Back team, which won the dodgeball tournament. From left: Nolan Grebin, Andrew Hammagren, Brandon Peterson, Tyler Peterson, Donnie Weis, and Colby Royal. (Charm Carpenter/The Red Oak Express)

Hello, Spring!

We have received much-needed moisture recently, but it sure is nice to see that sun shining again! Hope you all have been able to get out on those warmer days to take in some of that Vitamin D!

Business After Hours

AgriVision Equipment Group hosted our March BAH on Friday the 18th. The large crowd was treated to wonderful eats catered by Brenda Vrba. Besides the opportunity to network and participate in great conversations, Store Manager Nick Custer and Service Manager Grant Vrba gave a complete tour of this amazing facility while educating attendees how much technology has changed the farming industry.

New Ownership at The White Sparrow

On March 15, Michelle Pruss handed over the keys to new owners Tatum Jansky and Gayle Allensworth. We celebrated with them with a Ribbon Cutting on March 25 with the Red Oak Ambassadors,

Elaine Carlson
Director of Membership & Finance

Chamber Members, and customers.

Legislative Briefing

The March briefing was well attended. Our many thanks to Carrie Shalters and staff for allowing us to host these important opportunities to meet with our legislators. Our next scheduled briefing will be on Saturday, April 9, at 10 a.m. in the Tiger Auditorium in the Red Oak Jr. Sr. High School during the SW Iowa Buy Local Expo.

If you are wanting to

communicate with our legislators before the next briefing, you may contact them by email at the following email addresses: mark.costello@legis.iowa.gov, cecil.dolecheck@legis.iowa.gov, David.Sieck@legis.iowa.gov

Business Anniversaries

If your business/organization is celebrating a milestone anniversary in 2022, we would love to help you celebrate! Send us an email or give us a call to visit about ways we can recognize your anniversary.

One contested race for June 7 primary

On Friday, March 18, Montgomery County Auditor & Commissioner of Elections, Stephanie Burke, announced the candidates who have filed for County Offices in the June 7 Primary Election.

Montgomery County Recorder, Carleen Bruning, incumbent; Montgomery County Treasurer, Jackie Joy Porter, incumbent; Montgomery County Attorney, Drew B. Swanson, incumbent; Supervisor, district 1, Charla Schmid, incumbent; Supervisor, district 2, Michael Olson, incumbent; Supervisor, district 4, George Bruce; Mark L. Peterson, incumbent.

State Treasurer Fitzgerald’s gift card tips

State Treasurer Michael L. Fitzgerald is encouraging Iowans to keep an eye out for gift cards as they tackle their spring-cleaning.

“While tidying up the house this spring, make sure to look for any unused gift cards you may have lying around,” said Fitzgerald. “To prevent lost or abandoned gift cards from being turned over as unclaimed property and ending up in the Great Iowa Treasure Hunt, find those gift cards and use the funds as soon as possible.”

Unredeemed gift cards account for billions of dollars’ worth of unused money.

“Springtime may bring rain showers, but that doesn’t mean you should save your gift cards for those dreary days,” continued Fitzgerald. “Prevent your assets from becoming unclaimed property and get the full value of your gift cards by following these tips.”

- Check the expiration date. Some retailers do not honor gift cards after a certain period of time. Read the terms and conditions to see if any fees apply for unused funds.
- Keep the receipt. If the gift card is lost or stolen, companies may require proof of

purchase to replace the funds.

- Use a gift card promptly. Don’t put it away and forget about it. Take advantage of the gifted funds.
- Spend the full balance. Doing so reduces the risk of missing out on even a portion of the money.

The Great Iowa Treasure Hunt, created by Fitzgerald in 1983, is Iowa’s program that returns unclaimed property to the rightful owners.

Past and present Iowans can search at any time for no fee at GreatIowaTreasureHunt.gov to see if anything belongs to them.

Bridge work continues

Tess Nelson
The Red Oak Express

Traffic is once again restricted to one lane on the Nishnabotna River Bridge west of Red Oak on Highway 34.

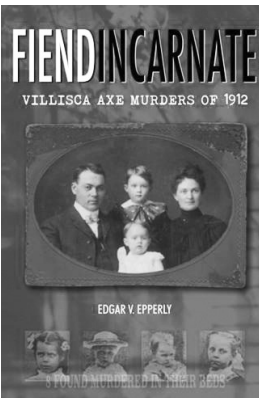

Brian Smith, resident construction engineer at the Creston, Iowa Department of Transportation office, said there was a utility conflict that kept them from completing the work last fall.

“The contractor patched the deck so we could get it open for the winter. The utility has now been relocated. The contractor is completing the remainder of the repair that was started last year,” Smith explained.

Weather permitting; the work should be completed around April 15. During repairs, there is a 15-foot height limit and 10-foot width limit restriction.

Dr. Epperly will give Villisca Axe Murder program April 4

Dr. Edgar Epperly, foremost researcher and authority on the Villisca Axe Murders, will present a program on April 4, at 6:30 p.m. at the SouthWest Artists Guild (SWAG) at the Bank, 400 S. Third Avenue in Villisca. Dr. Epperly will also be autographing copies of his latest book, *Fiend Incarnate, Villisca Axe Murders of 1912*.

“On Sunday night, or early on the morning of

Monday, June 10, 1912, Villisca was the scene of one of the most vicious crimes in all the history of the world. While the city lay sleeping, following a peaceful Sabbath, some fiend incarnate entered the home of Mr. and Mrs. J. B. Moore on East Third Street, and, wielding an ax, murdered eight people while they slept in their beds.” reads the intro-

ductory paragraph from The Villisca Review newspaper announcing the discovery of the axe murder victims.

“We are honored to have Dr. Epperly kick off his Southwest Iowa book tour here in Villisca,” announced Martha Herzberg, Director of the Villisca Public Library.

Dr. Edgar V. Epperly has been researching the

Villisca Axe Murders for over 60 years. He has written dozens of articles and blog entries, and appeared on CourtTV and other radio and television programs. He is a popular guest speaker at colleges, universities, historical societies, museums, libraries, and book stores. He resides in Decorah.

Celebrating Ag

Those who work in agriculture were invited to a free meal Tuesday, March 22, at the Gold Fair Building in Red Oak. A ribeye meal was provided by members of the Montgomery County Ag Committee and numerous community sponsors. Members of the Red Oak Ambassadors assisted. The guest speaker with Sen. Red Oak receives Trees Please! funds

MidAmerican Energy is helping dozens of Iowa communities lower energy costs at local public facilities and spaces through grants that encourage the strategic planting of trees.

This year, MidAmerican awarded 55 cities grants totaling more than \$100,000 through the company’s “Trees Please!” program. The program promotes energy efficiency by helping fund trees that provide windbreaks and shade to common areas such as publicly owned properties, schools and community spaces. The windbreaks and shade can help save on energy costs while also beautifying those areas.

“People often think that saving energy inside a building stops with insulating,” Erin Rasmussen, MidAmerican director of energy efficiency, said. “But outside the building, strategically choosing and locating trees can also help cut energy costs. Certain types of trees and shrubs can help block frigid winds in the winter, while other trees can help provide shade to keep those buildings cooler in

the summer.”

Since 1998, MidAmerican has awarded more than \$4.4 million in funding for trees.

2022 Community grants

- City of Clarinda \$1,000
- City of Emerson \$1,000
- City of Essex \$1,000
- City of Glenwood \$1,000
- City of Red Oak \$1,000

Live bird exhibitions, auctions cancelled

The Iowa Department of Agriculture and Land Stewardship recently announced an order cancelling all live bird exhibitions at fairs and other gatherings of birds due to highly pathogenic avian influenza (HPAI). The order also prohibits live birds from being sold or transferred at livestock auction markets, swap meets and exotic sales.

The Department’s order begins immediately and is effective for a minimum of 30 days, and until 30 days has passed without a confirmation of a new infection of HPAI in domestic poultry in the state of Iowa.

“Protecting animal health and Iowa’s agriculture-based economy remain our top priorities,” said Mike Naig, Iowa Secretary of Agriculture. “As HPAI continues to impact poultry flocks across the state and nation, it is essential that we take every possible step to reduce the risk of spreading the virus. Biosecurity remains our best line of defense.”

Iowa currently has more than six million birds impacted by HPAI across five commercial and backyard poultry flocks.

The Iowa Department of Agriculture and Land Stewardship is asking flock owners to prevent contact between their birds and wild birds. Biosecurity resources and best practices are available at iowaagriculture.gov/biosecurity. If producers suspect signs of HPAI in their flocks, they should contact their veterinarian immediately. Possible cases should also be reported to the Iowa Department of Agriculture at (515) 281-5305.

According to the U.S. Centers for Disease Control and Prevention, the recent HPAI detections in birds do not present an immediate public health concern. No human cases of these avian influenza viruses have been detected.

2022 community visioning program kicks off in Stanton

Stanton is participating in the 2022 Iowa’s Living Roadways Community Visioning Program. Community Visioning is a transportation enhancement planning process that serves Iowa communities under 10,000 in population.

The program helps community volunteers envision aesthetic and ecological improvements along roadsides and related landscapes by blending environmental stewardship with community improvement projects. Stanton is one of ten communities selected to participate in this award-winning program.

At its first two meetings, the Stanton visioning committee learned public involvement techniques that they will use in the visioning process to assess local resources and identify community needs. The information gathered will be used to develop a transportation concept plan.

The next step in the process will be a focus group workshop on Saturday, April 9, from 9 to 11 a.m. at Stanton Community Schools. Residents will be invit-

A Stanton summer concert. (File photo)

ed to share their ideas regarding transportation opportunities and needs in Stanton in a small group setting.

The workshop will consist of six focus groups one for each of the following demographics: steering committee members, older adults (65 years old and older), those with limited mobility, active recreationists, parents, and children (6 years old and older). Each focus group will take approximately one hour.

To participate in one of the focus groups, to communityvisioning.org/stanton and click on public input.
